USA PATRIOT ACT:

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account or creates a new member relationship with our credit union.

What this means for you: When you open an account, we will ask for your name, address, date of birth and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

We ask for your understanding as we work to support these efforts to maintain the security of your funds and our country.
