HMFCU Welcomes Promise Credit Union to the Family

Exciting things are happening at Houston Metropolitan FCU!

Our Board has voted to merge with Promise Credit Union, a community development credit union based in Houston, TX.

Promise CU's 2,400 members will become members of Houston Metropolitan, effective March 31, 2019.

With the addition of these new members, we will rebrand the Promise branch at 6500 Rookin Street and add it to our footprint, allowing us to establish a presence on the southwest side of the city.

We are excited about this new union, which expands our presence and boosts our membership. That, in turn, will help us better serve you. Culturally, Houston Metropolitan and Promise share a common bond, values, and philosophies and have a similar history.

Like you, Promise CU members want to be part of a financial organization that is dedicated to helping members achieve economic freedom. Through this merger, we will be able to offer Promise members a broader suite of financial products and services, three convenient branches, shared branching, affordable loans, and financial education and counseling.

Welcome, Promise CU members, to the Houston Metropolitan FCU family!

We look forward to serving you.

Saving doesn't have to be complicated.

We've made it easy to save with our 52 Week Savings Plan. Download and print the form below to help you track your savings for 52 weeks. The idea is simple. Week 1, save \$1. Week 2, save \$2 and so on. By the end of 52 weeks, you'll have \$1,378!

The beauty of this simple program is that you can do what works best for you. Some people start at week 52 and go backward, others jump around checking off the weeks they've completed. Others do it in order so they can see all of those beautiful checkmarks up and down the page in an unbroken chain. Whichever method you choose, make it a habit to do it every week.

There's no cost to join, no account to sign up for. Do this on your terms. If you want to have an envelope stuffed with money at the end of the year, good for you! Just be consistent. Make this year the year you actually follow through with your financial goals.
